Rich Bowen 2023 Recipient of Northern Arizona University's Dr. Cliff Harkins Distinguished Citizen of the Year Award

Flagstaff, AZ - Genterra Enterprises is honored to announce that Senior Vice President, Rich Bowen, was chosen as Northern Arizona University's (NAU) Dr. Cliff Harkins Distinguished Citizen of the Year award recipient for his long history of community commitment and volunteerism throughout Flagstaff. Rich was recently recognized during NAU's 2023 Honored Alumni Awards & Hall of Fame Ceremony on October 27th. Each year during NAU's Homecoming, the Alumni Association and NAU Foundation holds a ceremony celebrating alumna and alumnus who have demonstrated excellence in their careers and commitment to the University, along with innovation and generosity.

Rich's commitment to the Flagstaff community runs deep and has inspired continuous engagement. In recent years, Rich has overseen and developed \$1.3 billion in capital projects at NAU and the Phoenix Bioscience Core, a 30-acre urban medical and bioscience campus housing research, academic, and clinical facilities. Previously, he served as an executive for the country's largest real estate development group, where he was responsible for managing more than \$8 billion in assets in 30 states and Canada. He is also a former NAU Vice President and former President of the Economic Collaborative of Northern Arizona.

Rich is an active member of numerous non-profit organizations serving Flagstaff and the northern Arizona community including the Boys & Girls Club of Flagstaff, United Way of Northern Arizona, Flagstaff Shelter Services, Flagstaff Family Food Center, and many more!

Upon receiving his award, Rich exclaimed "This award is not an endpoint, but a milestone—a call to action. As we celebrate tonight, let us also reflect on the responsibility that comes with being Alumni of this great University. It is our duty to amplify the voices of the unheard, to champion inclusivity, and to strive for positive change".
