Noble Ground Coffee, Flagstaff's Newest Coffee Shop is Now Open

Flagstaff, AZ - Flagstaff's newest coffee shop with a cause has opened, with an official ribbon cutting ceremony that was held on Friday, November 3rd. Offering hand blended, premium coffee that serves a higher purpose, Noble Ground Coffee has opened its doors and is located at 710 S. Milton Road. Noble Ground Coffee is a new business concept where profits help support charitable causes identified by its parent company, Thrive Services Group (Thrive). Noble Ground Coffee, like Thrive's other business entities, was launched to fuel social change and help those who need it most. Noble Ground Coffee's profits will be directed toward funding impactful programs for underserved communities and will be invested in developing K-8 schools and affordable and transitional housing.

"We are excited to open our first standalone café in Flagstaff that offers an inviting community space for people to gather and share ideas and inspiration," said Tim O'Neal, CEO of Thrive Services Group. "Noble Ground Coffee is truly coffee with a cause, and with every cup of coffee you purchase, profits will support social service programs like education and housing for those who need them most."

Kinney Construction Services, Inc. (KCS) worked with Thrive Services Group along side DPA Architects, Inc. to bring northern Arizona a cafe with an impact. Founded in 1999 and having strong local roots, KCS's mindset of continuous charitable impact throughout Flagstaff and northern Arizona made for a prosperous partnership with Thrive.

"It's an honor to have served as the General Contractor for this project. Noble Ground Coffee goes above and beyond the expected to make lasting impacts on our communities and the world," exclaimed Mike Thomas, KCS President. "Giving back to Flagstaff has always been a driving factor behind what we do at KCS; knowing this café will have a direct influence is incredibly important to our entire team."

The Flagstaff Noble Ground Coffee is located next to the new Goodwill store off of Milton and will be open 6 a.m. to 6 p.m. Monday – Sunday.

About KCS: Kinney Construction Services, Inc. (KCS) is a premier construction services firm specializing in commercial building construction and renovation, civil construction through sister company Kinney Construction LLC (KCS Civil), and renewable energy projects.
