Flagstaff's Newest Goodwill Opens at Rte 66 & Milton Rd

Flagstaff, AZ - Goodwill of Central and Northern Arizona has officially opened their newest location in Flagstaff! Located at the intersection of Rte 66 and Milton Rd, the new store spans more than 16,000 square feet, and thousands of new items are placed on Goodwill's sales floor daily. From designer clothing and shoes, to furniture and collectibles, Goodwill offers unique secondhand items for less. Revenue generated from Goodwill's retail stores helps to support its mission services including career development, training, and education resources like MyCareerAdvisor.com.

"We continue to grow throughout Arizona and are thrilled to open our third Goodwill store in Flagstaff," said Adam Lewis, Chief Retail Officer, Goodwill of Central and Northern Arizona. "Adding a location across the street from Northern Arizona University will make shopping and donating even more convenient for the Flagstaff community, especially students. We know younger shoppers are adopting secondhand fashion and thrifting faster than any other age group."

Local construction company Kinney Construction Services, Inc. (KCS) performed as the General Contractor for the project.

"We're honored to be part of this opportunity, knowing that the facility will benefit people throughout northern Arizona and offer additional jobs and career development opportunities to the community," exclaimed Mike Thomas, President of KCS. "Additionally, this new Goodwill location continues to emphasize the notion of sustainability throughout our community. A range of generations are taking to thrifting and secondhand shopping, helping to improve our environmental footprint little by little. We are thrilled to have been a part of this project for a multitude of reasons!"

Visit the new store located at 701 S Milton Rd, open from 9 AM - 9 PM Monday - Saturday and 10 AM - 9 PM on Sundays.
